The Brotherhood of St Laurence was founded in Newcastle in 1930. Members of the original Brotherhood, under the leadership of our founder Fr Gerard Tucker, moved to Melbourne in 1933 and began working in the slums of Fitzroy.

The annual Foundation Festival brings together supporters of the Brotherhood to commemorate past achievements and re-confirm our continuing commitment to social justice.

The venue, Christ Church in South Yarra, was the birthplace of Gerard Tucker, where his father was the parish priest.
