480 AVALON ROAD, LAR 3212

Avalon Conference Centre is situated on the shores of Corio Bay, close to the little town of Lara. Set on 33 hectares of grazing land and surrounded by a hectare of lawns and gardens, the 19th Century blue-stone house commands sweeping views of the You Yangs to the north, and Geelong across the bay.

Avalon prides itself on its comfort, personal service and attention to detail; all wrapped up in a value-for-money package. Although secluded, Avalon is less than an hours drive from Melbourne and Tullamarine, and only 25 minutes from Geelong.

Avalon offers a unique, peaceful setting for your next conference or training seminar.
