

MEMORANDUM

TO: Senior Staff and Project Supervisors
FROM: John Wise Director community Services
DATE: 15 November 1990

As you are aware the Board has resolved to establish a new region. The region (called Metropolitan) will encompass all programmes not currently included in either the Peninsula or Geelong Regions. It is proposed that the new region be launched on the 19th December with a late afternoon celebration (but more of that later).

However it is essential that the senior staff of the new region meet as soon as possible for a briefing and some introductions. A meeting has been called for Wednesday 28th November at 10:00am in the old E.D.U room to deal with these and other matters.

Please advise me if you are unable to attend. Details of the Agenda will be circulated shortly.
