

## Holiday resort for 40,000 kids

This is what some of the 40,000 children from Victorian families living below the poverty line have to look forward to next school holidays.

A gift to the Brotherhood could give them something better. Not just a holiday, but a chance to develop their natural abilities under skilled supervision.

An important part of our intensive youth work is our mobile camping programme. At present we hold

25 camps a year. At places like Mt Gambier, Deniliquin, Wilson's Promontory.

Your gift of money, or clothing will help finance youth programmes; family welfare work; social research programmes; and provide accommodation and welfare services for the elderly. Clothing and household goods donated are also distributed direct to people in need, phone 41 3181 and arrange for a van to call.

**A GIFT TO THE BROTHERHOOD WILL HELP FIGHT POVERTY**
